## The Fair & Impartial Policing® (FIP) 4-hour Recertification/Booster Train-the-Trainer Iowa Department of Public Safety Academy April 27, 2022 | 12:30 – 4:00 pm

**4-hour Virtual Recertification Course**—The FIP® Recertification Course is designed for **agency trainers who attended a FIP Train-the-Trainer course in 2019**. Attendees will review the key principles of FIP, be introduced to updates to the Patrol Officer and Supervisor curricula, discuss implementation tips, policy review, and more.

The virtual Recertification Course will be combined with our **NEW Booster TOT**. Designed for agencies/individuals who have previously experienced a FIP TOT and Recertification and want to deliver a 3-4-hour booster training for officers who have had the basic FIP course. The core concepts from the basic FIP training are reviewed and includes high-quality video scenarios that allow the participants to apply the key principles to common policing situations using a decision tree model.

**Eligibility:** *You must have previously completed a certified FIP® Train-the-Trainer course and be currently employed by a law enforcement agency or training academy that is committed to training the FIP curricula following the Refresher. At least two trainers, from each agency, should attend since the FIP curricula are team-taught.*
