

# FAIR & IMPARTIAL POLICING

## The Fair & Impartial Policing® (FIP) 6 Hour Recertification/Booster Train-the-Trainer November 15, 2022 Online Virtual Training Course

**Virtual Recertification Course**—The FIP® Recertification Course is designed for agency trainers who have previously attended an FIP Train-the-Trainer course **prior to 2019**. During this 6-hour course, attendees will review the key principles of FIP, be introduced to the new-and-improved Patrol Officer and Supervisor curricula and discuss implementation tips and issues.

The virtual Recertification Course will be combined with our **NEW Booster TOT**. Designed for agencies/individuals who have previously experienced a FIP TOT and Recertification and want to deliver a 3-4-hour booster training for officers who have had the basic FIP course. The core concepts from the basic FIP training are reviewed and includes high-quality video scenarios that allow the participants to apply the key principles to common policing situations using a decision tree model.

**Eligibility:** *You must have previously completed a certified FIP® Train-the-Trainer course **prior to 2019** and be currently employed by a law enforcement agency or training academy that is committed to training the FIP curricula following the Refresher. At least two trainers, from each agency, should attend since the FIP curricula are team-taught.*

**FIP National Instructors represent local, county, state, and university police, and bring practical, “street-wise” applications for law enforcement personnel at all levels of the organization.**
