

# FAIR & IMPARTIAL POLICING

## The Fair & Impartial Policing® (FIP) 1 Hour LE Civilian Train-the-Trainer December 10, 2024 Online Virtual Training Course

A 1-hour **Certification** course that will prepare trainers to deliver FIP's Law Enforcement Civilian training within their agency. Attendees will be introduced to training content such as research studies, examples, and scenarios that is tailored specifically to non-sworn personnel who support law enforcement agencies such as crime analysts, dispatchers, forensics, technology, administrative support staff, and any other civilian role. FIP's Law Enforcement Civilian course is appropriate for both line-level and supervisory personnel.

**Eligibility:** You must have previously completed a certified FIP® Train-the-Trainer course or Recertification course and be currently employed by a law enforcement agency or training academy that is committed to training the FIP curricula. Your FIP training certification and agency license agreement must not be expired.

**Licensing FIP Curriculum Materials:** An FIP license agreement authorizes trainers to use FIP's copyrighted and trademarked materials. The LE Civilian certification will expire on the date noted in your agency's existing license agreement.

Note: Course registration must be completed within 72 hours of course date.

**FIP National Instructors are current or retired law enforcement, representing local, county, state, and university police.**
